

CHURCHiLL

FUTURE CARE

Over 200 years of... INNOVATION, PASSION & EXPERTISE

Within the hospitality sector, the choice of tableware must meet the highest standards for presentation, practicality and performance.

The Churchill brand has achieved global recognition and is a reputable supplier of the highest quality ceramics through a distribution network in over 50 countries worldwide.

SERVICE EXCELLENCE

Churchill offers a professional and reliable service due to our continual investment in warehousing facilities. We hold over 4 million pieces of packed stock available on the entire standard range.

PRODUCT QUALITY

We pride ourselves in the quality of our products. In order to ensure that all of our products meet customer, industry and statutory expectations they are all subject to rigorous and stringent testing in both independent and our own UKAS accredited research laboratories.

ENVIRONMENTAL RESPONSIBILITIES

We are also aware of our environmental responsibility, committed and continually striving to minimise our impact and in turn our customers' impact on the environment.

PRODUCT INNOVATION

Continually innovating... Churchill offer an exciting portfolio of products that transform the latest culinary food and presentation trends into a stylish tabletop reality.

Plate Cover Fit

Fits all standard plate covers in the market, both metal and plastic. This helps back of house preparations and food transportation.

Rim Shape

Wide and couped rim aids handling and stability.

Porcelain

Excellent performance and durability.

Depth

Plate height is low so it will fit into racking systems and heated trolleys.

Undercut Rim

High rim to help the food fall back on the cutlery, no need for a food guard.

Stackability

A wide base for excellent stackability and storage.

Flat Base

Making the Base less likely to slip and maximises stability & balance.

Stackability

Stackable to save space back of house in storage.

Handle

Easy grip and reduces the risk of touching the hot cup.

Wide Base

To help stability during use.

FUTURE CARE

Functional & Stylish Solution

Introducing Future Care, a range of specialist ceramics designed to assist independence and support wellbeing. The collection features individual pieces ergonomically designed for the health care market, suitable for care homes, hospitals, retirement homes and care villages. Future Care is a classic range tailored for individual personal needs and enhances food presentation.

PORCELAIN

A stylish and functional white porcelain collection that delivers on durability and practicality.

DESIGN

Designed with the needs of the ageing population in mind. Future care provides additional grip, stability, and food control providing greater independence for the individual.

STACKABILITY

All items have a wide stackable base for storage and to maximize stability.

FLAT BASE

The plate is designed to have full contact with a heated tray, retaining heat and keeping food hot for longer.

COMPLEMENTARY ITEMS

Future Care can be complemented with Art de Cuisine Menu to provide a full tabletop solution.

DISHWASHER & MICROWAVE SAFE

All items have been designed to fit easily in to a dishwasher.

ART de CUISINE® FUTURE CARE

Functional & Stylish

A specialist collection of plates, cups and mugs designed to support independence and maintain confidence. The deep plates aid eating with use of an undercut to ease food on to the cutlery, and a contemporary wide rim to assist stability and handling. The stacking cups and mugs are design engineered to provide additional grip and stability with a wide base and ergonomically designed handle.
