16. Kupa - Mug

17. Bardak - Mug

Kare ürünlerde Ø (çap) ölçüsü köşeden köşeye verilen ölçüdür.

The measurements of the (diameter) Ø for the Square plates are being calculated from corner to corner.

Verilen tüm ölçüler yaklaşık değerlerdir. All measurements are in approximate values.

L cm: Uzunluk - Length W cm: En - Width hmm: Yükseklik - Height

vcc: Hacim - Volume Ø cm: Çap - Diameter

h: Yükseklik - Height **v:** Hacim - Volume

A photograph of two wine glasses on a table. The foreground glass is a tulip-shaped glass, and the background one is a more traditional wine glass. They are on a light-colored, textured tablecloth. In the background, there is a plate of food, possibly a salad or a dish with cheese and vegetables. The background is blurred, showing what might be a restaurant interior with warm lighting.

A photograph of two square glasses filled with water, ice cubes, and raspberries. The glass on the left is upright and contains two raspberries and two ice cubes. The glass on the right is tilted, showing a dynamic splash of water and bubbles around the ice and a single raspberry. A red bar is at the top, and a red vertical bar is on the right edge.
